

Ralston High School Booster Club – 2011-2012

The Ralston High School Booster Club's purpose is to promote school spirit, inspire support of Ralston High School (RHS) activities & athletic events.

It is recommended that ALL parents with students involved in activities join RHS Booster Club. The Booster Club supports many school activities:

- All athletics
- cheerleading/pom/dance
- coaches
- marching band

The Booster Club sponsors annual activities such as:

- post prom
- teacher appreciation luncheon
- scrapbooking events
- Poker run
- Ram Rigatoni spaghetti dinner

The Booster Club pledged \$25,000 toward the stadium/field project in 2005, and donated \$4,200 for the Wall of Fame located in the gym. We need your support!

There are three levels of support. The "White" level reflects a \$25.00 membership, "Red" level reflects a \$50.00 membership and the "Blue" level reflects a \$100.00 membership. All members are listed in the program inserts at each home game or event. If you choose, you may move up a level in sponsorship at anytime during the school year. Contact the Athletic Office to make the changes.

After you have chosen to become a member of RHS Booster Club, you are then eligible to purchase an Activity Event Pass (\$40.00 per person) which is your admission to all **home** athletic events. (NOTE: **Membership alone** does **NOT** allow admission into athletic events.) (Please note: District & State events held at RHS are excluded.)

Booster Club meetings are held the 2nd Wednesday of every month August through May (except December) @ 7 P.M. in the Alumni Room at RHS. All members are encouraged to attend.

Activity Reps are needed for each level of sport/activity. If your son/daughter is participating in an activity, please consider to be the Activity Rep for that group. Other areas where volunteers are greatly needed include: Spaghetti dinner, Poker Run, and Scrapbooking crop events.

We encourage and welcome your talents, time and ideas. Please take a minute to indicate your area of interest below. Many hands make a large task small. Support the activity/team that your student is a part of. Your involvement in Booster club also makes a great resource of networking with other parents and RHS staff.

Have you seen Booster parents wearing the photo buttons of their child? The Booster Club has a button making machine. With your membership, your sports representative will be able to make you 2 buttons for each sport/activity **FREE!** If you are **NOT** a member of Booster Club, the buttons cost \$5.00 each. You do the math. If your child is in one or more activities, your membership practically pays for itself! So join today!
