Committees and Programs

The Brewsky's cards that we have left will be distributed by a Booster Club rep at the Ram Ribeye. We will also have a message regarding this on the Booster Club website.

Membership – In order to make things more efficient, Booster Club membership forms will be put in a separate envelope and placed inside the High School Registration Packets for the 2010-2011 school year. An envelope will be included so members can return their membership forms and payment directly to the Booster Club. We will talk about this further at the April meeting.

Jr. Ram Fan Club – Leftover shirts for this year were split up and given to the elementary schools. Andy will work on a flyer and new logo for next year's t-shirts. Jr. Ram flyers will be put in High School Registration Packets for this fall.

Wrapper – Two letters were submitted for approval. A "Thank You" letter and another asking for advertisers to submit their payment. Kriss will look these over and make any corrections.

Scrapbook Event – Next event is April 17th from 9:00 am to 6:00 pm. Andy will talk to Beth about offering a student rate to encourage students to participate. Brenda will call the school to have them put in the announcements that community service is available for this event.

Website –nothing new.

Old Business

Top Ten Board – Docker presented a bid for new Top Ten and Record Boards. Kriss made a motion to approve the bid which includes keeping the any revenue from advertisers in the swim department. Andy seconded it and all approved. Docker also proposed that there be a designated area for alumni at the football games with free coffee and donuts. He offered for the swim team to man it. He had already talked to Scooters about donating coffee. We will table this for further discussion.

Scholarships – Brenda is waiting on the completed forms. Brenda will check into the amount of Letters of Recommendation an applicant can have. The form states there can only be one.

Ram Ribeye – Patty met with Deb Gerch and Mike Basch from Hyvee. We will have the same menu as in the past (steak \$10.00 and pizza \$5.00) but athletes will pay half price this year. Coaches will not eat free. There will be

indoor and outdoor seating. Raffle items and tickets will still be inside. Diane will notify Jennifer Ludes to put Ram Ribeye information out on the website. A flyer will be sent to Central Office to distribute to the elementary schools.
