Ideas were discussed for ways to increase attendance at future Ribeye dinners – moving the date back to February and not charging athletes for their dinners. Other

ideas were changing the food, more announcements at games and possibly two dinners a year instead of one. Patty also reported that Hyvee will designate their "Round Up" boxes to the Booster Club whenever they are not designated for another cause.

**Elections** – We have one open executive member position to fill for next year. If anyone is interested please contact Brenda Jershin.
